FANS

A black and white photograph of a crowded school cafeteria. Students are seated at long tables, some looking towards the camera and others looking away. The room has a high ceiling with exposed beams and large windows in the background. Overlaid on the image are large, bold, outlined letters spelling out the word 'FANS'. The 'F' is on the left, 'A' and 'N' are in the middle, and 'S' is on the right. The letters are white with a thick black outline.

FOCUS

ATHLETICS:

RECALLING THE PAST FOUR YEARS

FHS Golf

From the first tee shot hit on the first day of our freshman year, to the last putt made on the last day of our senior year, we have had many memorable moments on the golf team. We are all greatly appreciative of the wonderful privilege of being able to enjoy four years of golf at such an elite golf course, Oak Hill.

Being on the golf team, we learned far more than how to swing a golf club. Golf is a game of confidence, and that is exactly what each of our dedicated coaches worked to instill in each of us. This being a time in our lives when our personalities are so greatly developing, this confidence extends beyond the golf course, improving us in all aspects of life.

Certainly, we are able to look back on the past four years with much satisfaction. We made it to the States for the first time in our school's history, we improved our abilities, and we had many great times. Our experiences on the golf team are ones that we will never forget.

-Tim Johnson

Is Tim serious or what?

Tefft makes it look easy

Zach plays in the sand

Jeremy's shows off his perfect swing

Shaun is scared to see how far he hits this one

Zach admires his work

Brian with an easy putt

Jeremy Caci

How do you think that you will be remembered in the future?

As the best golf team the Fitchburg High Red Raiders ever had.

Shaun Cormier

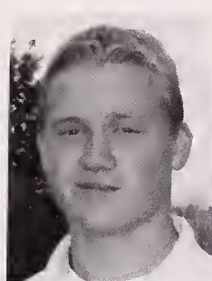

What pre-match rituals do you have?

I always have two golf balls and two tees in one pocket and my keys in the other pocket.

Brian Tefft

What will you forever remember about this season?
I will never forget going to the state championship and playing at Salem Country Club.

Tim Johnson

What was the funniest thing that happened during the season?

Shaun getting slapped in the face by Zach, really hard.

Zach Beaulieu

What was the funniest thing that happened during the season?

When I almost got into a fight with a kid from Oakmont.

FACT:

The 2001 FHS Golf Team is the only team in school history to play in the state championship.

To Bryan and Tom... we really did have some fun, didn't we! Best of luck to both of you for a successful senior year, and beyond. To the rest of the team... don't forget what Tom and Bryan taught you. It's your turn next year. Continue the pride and quality of leadership presented by your two co-captains. Here's to continued success!!!

"Fitchburg on Three!"
Coach Woods

Senior Captains Tom Laakso and Bryan Marotta leading the team on another long run.

Maybe it's better not to ask...

I guess only Tom finds his jokes funny...

Tom Laakso

How do you think this team will be remembered in the future?

"I think our team will be remembered most for our insanity. Whether we were jumping off cliffs, swimming up rivers or chasing wild turkeys, we were always determined to go down as the craziest team in history. And, I am proud to say, we surely pulled it off."

Bryan Marotta

What will you forever remember about this season?

Girls Cross Country

With a strong team of six seniors and many talented underclassmen, the girls cross-country team provide their strength by posting a very good 5-2 record along with a 5th place finish in the League Meet at Grafton.

Mr. Ambrose continued to motivate the team with his "coach's cone day" at Carol's, the run to Marshall Farm when he bought everyone apples, and running to his house to cool off in the pool while enjoying Popsicles. The girls held their own spaghetti suppers every night before meets, stuffing their faces with pasta, salad, bread and ice cream as well as being entertained by Sally and her guitar. Overall it was a season to be remembered.

Volleyball

"CAN YA DIG IT? Talented members of Fitchburg's first-year volleyball program show much promise..." That is how the Sentinel Enterprise introduced the Girls Varsity Volleyball team to its readership. The S & E readers as well as Fitchburg High School would not be disappointed. The first varsity volleyball team at FHS assembled together in September, just two weeks before their first game. Not knowing the competition or where they stood with talent the girls found out during their first match that they belonged on the court. The Lady Raiders lost their first match but not before taking a game, making veteran teams of the cross-town rivals Leominster. The season continued with successes as well as setbacks, both equally important to the development of a good team. The season record would be 6 wins and 8 losses, just one short win of making Districts. To paraphrase the S & E, "the Raiders first-year Volleyball squad was **for real.**"

Coach Kelli

There is only one word to describe the Fitchburg High Girls Volleyball Team: amaazing. Although this was the first year that Fitchburg had offered volleyball as a competitive sport, both the JV and Varsity teams put forth an effect that was unforgettable. Intensity, combined with heart led the varsity team to a 6-8 record, almost qualifying them for districts. Each individual on the team contributed everything they had, including blood, sweat and tears in order to make the season a successful one. This year's volleyball team was the first at Fitchburg High, setting the pace for future teams but certainly not the last.

Varsity Girl's Soccer

Our team is like a pack of hoodlum sisters. On and off the field we look out for each other. On the field, if a player goes down, we make sure we play even better to show the other team that we will not be intimidated. Look at our first Clinton game. They had tied us, and ruthlessly went for our goalie. This turned out to be a big no-no. No one touched our goalie, yet instead of stooping to their level, we got Tess to "wake up" and score the winning goal to put those girls in their rightful place. We constantly talk on the bus about our lives and what's happening. I can already tell you that other teams cannot have half of our unity and friendship. I remember one game, coach pulled the four captains aside and said, "This is your team..." He's right. This is my team, my friends, my sisters and most of all my confidants. That is why I wear my captain armband that coach gave us with so much pride, because I am proud to be part of this team as well as a captain. Even though I am extremely sad to see this season end, I am happy and fortunate for all the memories that I have obtained through my four years now. I want to thank you all for a memorable season and great times! I love you guys!!

Raider Football 2001

Ryan Davenport

What's the most rewarding thing about FHS Football?

No matter what, turkey will always taste better in The Burg.

Norman Cole

What pre-game rituals do you have?

I go to C.V.S and buy pantyhose before every game to wear under my uniform.

BJ Fitz

What was your team's greatest accomplishment?

Beating Leominster, especially when both towns didn't think that we would. We played so good, but the main thing is we played together.

Before the 2001 football season even began, the odds were stacked against the Red Raiders. Following the best season in Red Raider history, 22 seniors, numerous starters, and countless All-Stars graduated. What was left was a young, inexperienced team boasting only nine seniors.

Even after a rough start, never was there a single excuse uttered. Instead, every week the team improved. They worked hard to get better, and did. Soon, the Raiders were once again a force to be reckoned with.

Despite the strides made by the Red Raiders throughout the season, they arrived at Doyle Field Thanksgiving morning with very few people giving them a chance. With the rival Blue Devils boasting a better record and a strong team, it looked as if they would defeat the Raiders for the first time in four years.

Apparently, someone forgot to tell this to the Red Raiders. Since their freshman year, it has been said that what this group of seniors may lack in ability or numbers is more than made up for by the heart they display on the field. It was this heart displayed by seniors Norman Cole, BJ Fitz, Jordan Dursa, Brian Bouvier, Joe Rouse, Ryan Davenport, Nathan Glenn, and Dwayne Tiggs that led the underdog Red Raiders to victory.

While there may be no Super Bowl appearance, jackets, or rings, the 2001 Red Raider football team has a great deal to be proud of. Even when faced with incredible odds, the Red Raiders refused to give up. They worked harder than any other team, and were rewarded with a victory in the biggest game of their careers.

Brian Bouvier

Who is the most unforgettable person on the team?

Joe Rouse

What was your team's greatest accomplishment?

By beating Leominster 26-14, our dreams of never losing a single game to them came true.

Jordan Dursa

How do you think this team will be remembered in the future?

We never gave up, even when things didn't look so good.

Nate Glenn eyes the quarterback.

"Cubby" is all fired up!

Nathan Glenn

What will you forever remember about this season?

Going into the Thanksgiving Day Game we were underdogs, but we came out on top.

Dwayne Tiggs

What was the funniest thing that happened during the season?

When Aaron bodied ODD.

Mike Pompeo

When did you feel the most pressure?

When I first moved to Fitchburg at the end of August and I decided to join the team. I was new and I didn't know anyone.

A Girl's Night Out

When not working hard at school (HA!), the girls need to get out once in a while. They are often found hanging out with friends, the local coffee shops, going to parties, or caught at sketchy places such as Shacks or Big Lots.

As an annual event, the senior Ladies squared up with the not so forgiving Juniors. The Senior class, starting yet another tradition, they had the participating senior Gentlemen playing against the Faculty. Preparation is always important but not always abundant. As the case of this year, unfortunate as it seems, both of our Senior class teams, fell to the defeat of their opponents. Both games were played strong, and the important part is that it creates memories for everyone to look back on.

Ryan,

All of our lives have become a little more precious since the tragedy on September 11, 2001.

So keep in mind what is important in life as you off in a new direction.

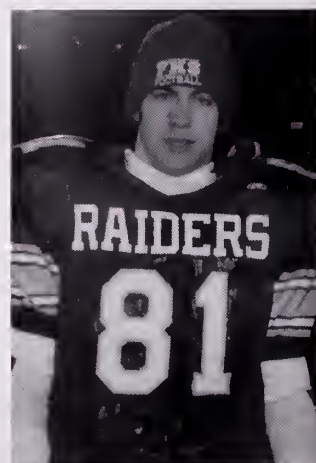

Follow your dreams, laugh often, and always strive to be "the best that you can be", for that is what has always made us proud.

Congratulations Ry Guy,

"We hope you had the time of your life."

-Love, Mom, Dad, and Shane.

*Over the years that beautiful smile has never changed.
We're so proud of you!*

WE LOVE YOU MOT!

Mom, Robert, Trina, Dee, April, Renea.

JOSH

From a very young age you have come to many crossroads. You have chosen the path that sometimes is less traveled by your peers. You have stood strong in who and what you believe in. The choices you have made are the reason that we are so of you. You have surpassed our hopes and expectations we had for you at birth. Our prayer is that you will continue to be strong in your beliefs and excel in all you do. As parents we are very proud to call you our son, as your sister is very proud to say you are her brother

Congratulations,

May the Lord direct
all your footsteps.

Love,
Dad, Mom, Sara

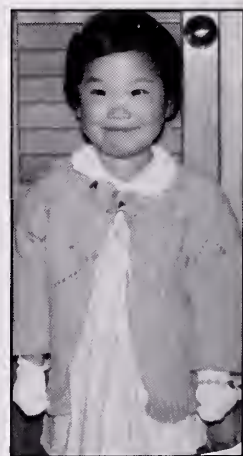

Kerry,

Where have the years gone??
May life always give you a reason to

Love Always,
Mom, Dad, Ty, Todd, Gram J., Gram C.

Shaun, you've brought joy into our world as our "first born" son, and you continue to make us proud!

Know that we'll always be there for you, and our love will be with you forever. May you find happiness in everything you do.

Love Mom & Dad

Sally,
You have made us laugh till our bellies ached.
You have made us gasp at many a finish line.
You have made us clap and cheer while you were on the stage. But most of all.....
You have made us love you.
Keep sparkling upon the world.

Sherilyn

*We are so proud of you.
Keep chasing those dreams, live life to the fullest and remember how much we love you.*

I hope you dance.

AFTERGLOW

I'D LIKE THE MEMORY OF ME TO BE A HAPPY ONE,
I'D LIKE TO LEAVE AN AFTERGLOW OF SMILES WHEN THE DAY IS DONE.
I'D LIKE TO LEAVE AN ECHO WHISPERING SOFTLY DOWN THE WAYS,
OF HAPPY TIMES, AND LAUGHING TIMES, AND BRIGHT AND SUNNY DAYS.
I'D LIKE THE TEARS OF THOSE WHO GRIEVE TO DRY BEFORE THE SUN,
OF HAPPY MEMORIES THAT I LEAVE WHEN LIFE IS DONE.
